Boat Trips

Activity	Duration	Price per person
Boat trip with driver ⁽²⁾	30m	12,5€

Departure from the Marina of Agueira towards the old village of Foz do Dão, at the confluence between the rivers Dão and Mondego, submerged after the construction of the Agueira Dam. There we can find the Salazar Bridge, inaugurated in 1935, built in stone with perfect arches. On this Dam trip, where ducks and crows prevail, we sail over Breda, another submerged village, where we can see the ruins of the Roman bridge of Ferreirós do Dão and we travel to the mouth of the river Criz, with the fluvial beaches of Falgaroso do Maio, always accompanied by a landscape rich in pines, eucalyptus, cork oaks and oaks.
