INFORMATION

Opening hours

All treatments are available between 10 am and 8 pm.

Treatment scheduling

For treatments at our Wellness centre, you must book in advance with the hotel reception.

Medical condition

Please inform the therapist, upon booking and before treatment, in the following cases: pregnancy, recent surgery, diabetes, heart problems or others. You should always see a doctor before making a treatment, as it may not be advised.

Arrival at the Wellness Centre

We suggest you arrive at the Spa 10 minutes before your scheduled time. You may arrive wearing your bathrobe, or use our treatment booths to change your clothes. Before the treatment, you will be given a bathrobe and a towel.

Our Wellness centre is not responsible for eventual losses or thefts. We recommend that you do not bring valuables.

Punctuality / Cancellations

If there is a delay of more than 10 minutes, the hotel may cancel, schedule a new date or, depending on the treatment, it will be reduced to the remaining time. Please notify us of cancellation within 12 hours prior to the appointment. In the event of a no-show or cancellation less than 12 hours in advance, we reserve the right to charge 50% of the treatment fee.

TREATMENTS MENU

Relax and enjoy serenity
in a space of wellness

Massages

RELAXING

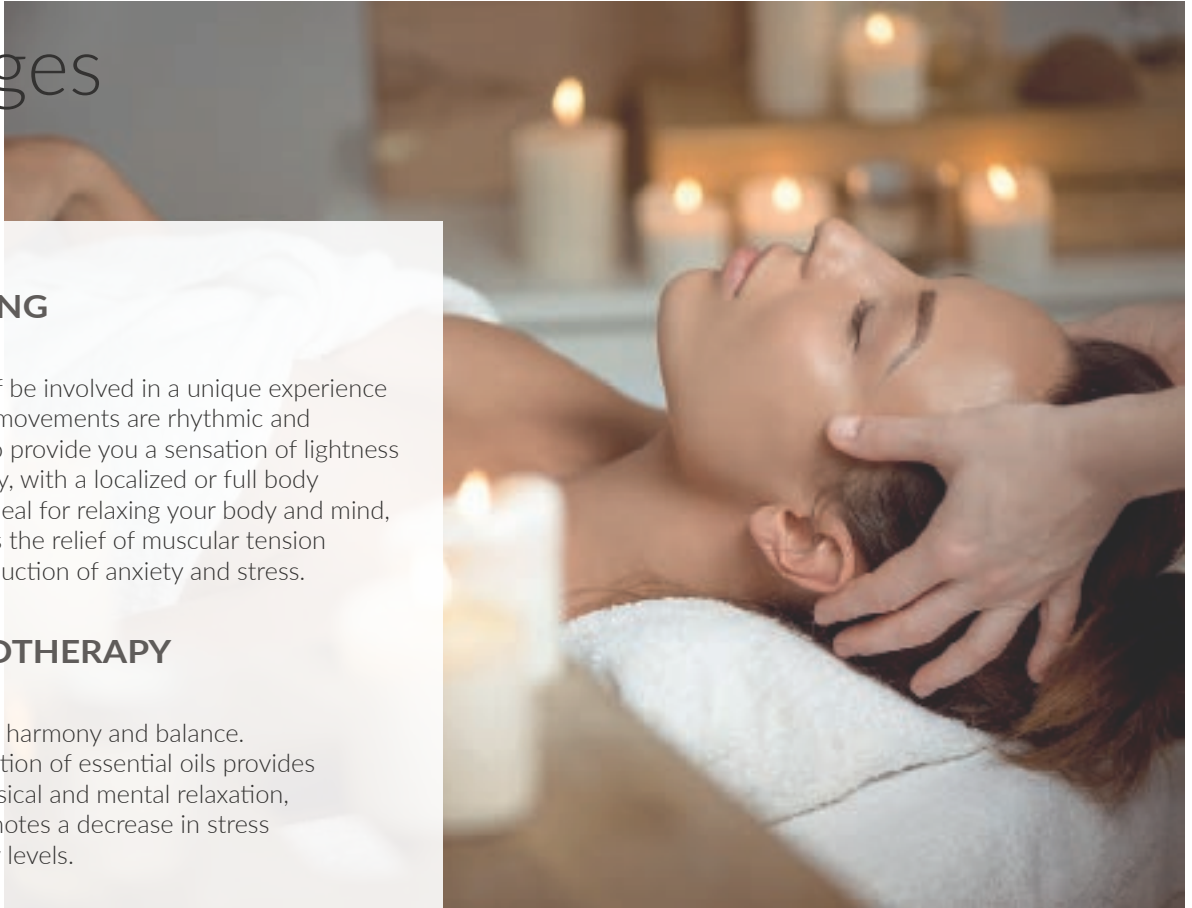

30 MIN

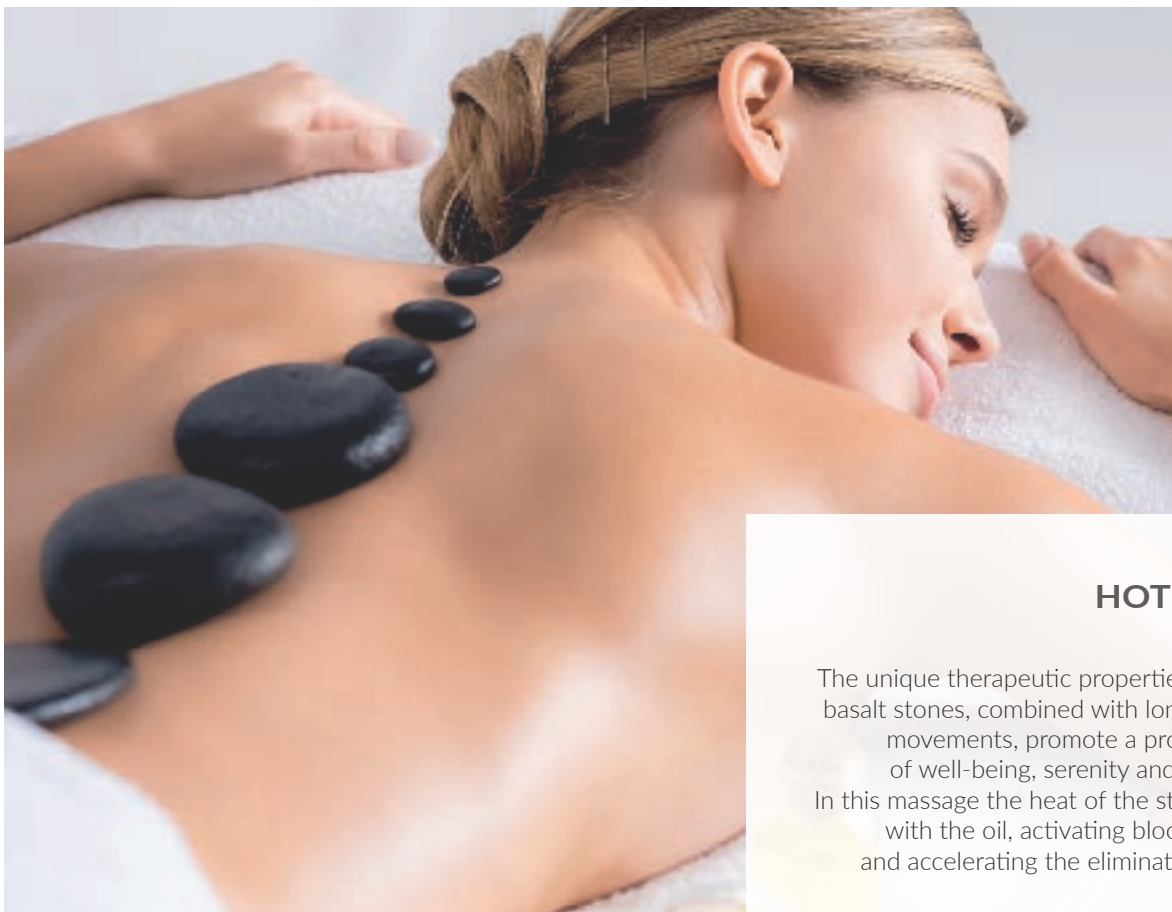

Let yourself be involved in a unique experience where the movements are rhythmic and designed to provide you a sensation of lightness and serenity, with a localized or full body massage. Ideal for relaxing your body and mind, the result is the relief of muscular tension and the reduction of anxiety and stress.

RELAXOTHERAPY

60 MIN

Well-being, harmony and balance. The application of essential oils provides a deep physical and mental relaxation, which promotes a decrease in stress and anxiety levels.

HOT STONES

60 MIN

The unique therapeutic properties of volcanic basalt stones, combined with long and gentle movements, promote a profound sense of well-being, serenity and rebalancing. In this massage the heat of the stones merges with the oil, activating blood circulation and accelerating the elimination of toxins.

SCENTED CANDLES

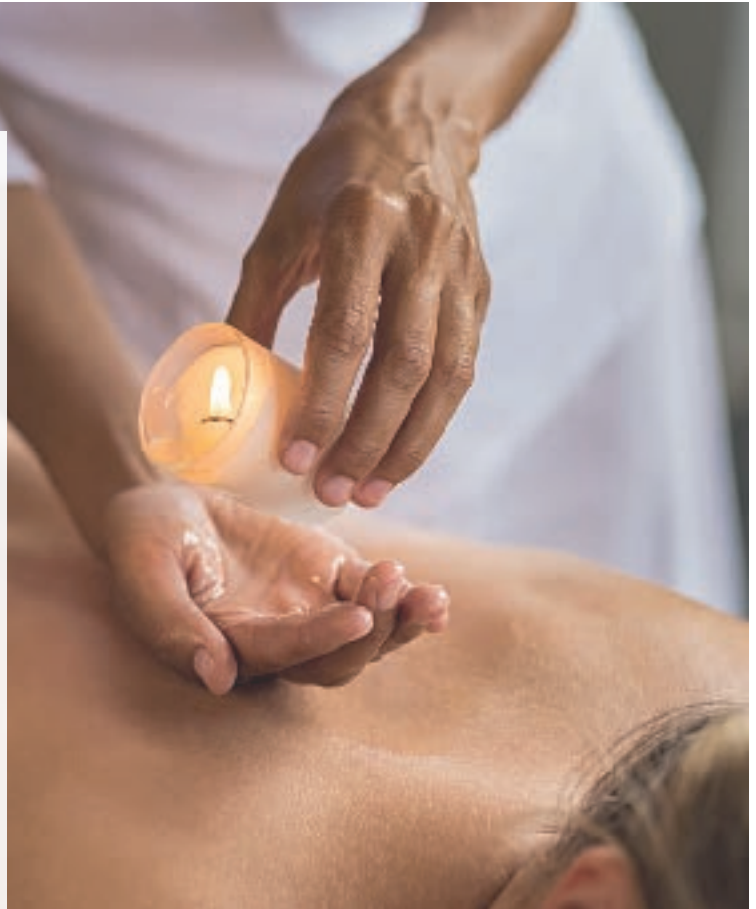

60 MIN

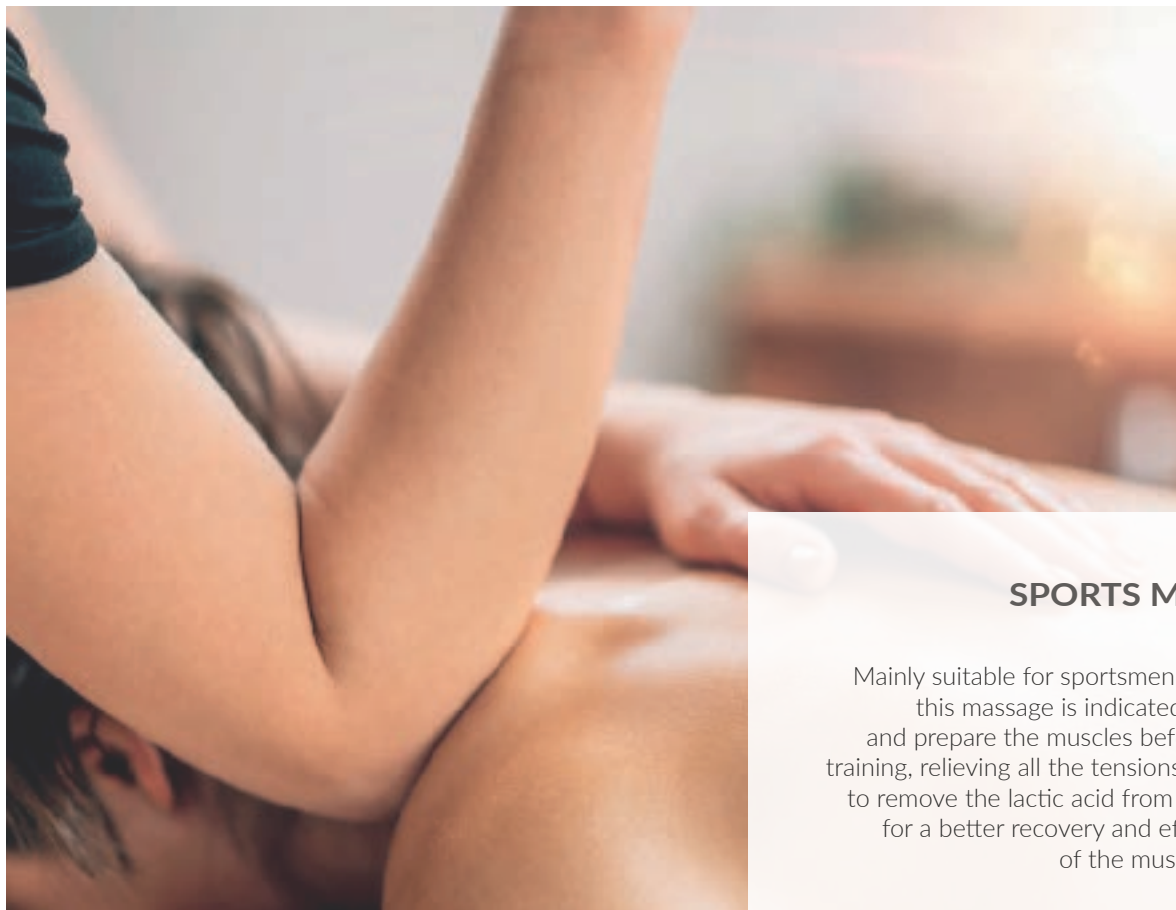

Performed with melted wax applied while still warm, this massage provides a unique sense of relaxation and stress reduction. The warm candle wax offers comfort and relaxes the muscles, releasing the aromas of the essential oils that promote a sense of well-being.

AYURVEDIC

90 MIN

Inspired by ancient techniques, this massage encompasses all aspects of physical, mental and spiritual health. Performed on the floor, with deep manoeuvres that combine vigorous movements and stretching, the massage attunes the body to a correct posture, expanding the respiratory capacity and strengthening the immune system, making us remain continuously in a well-being state.

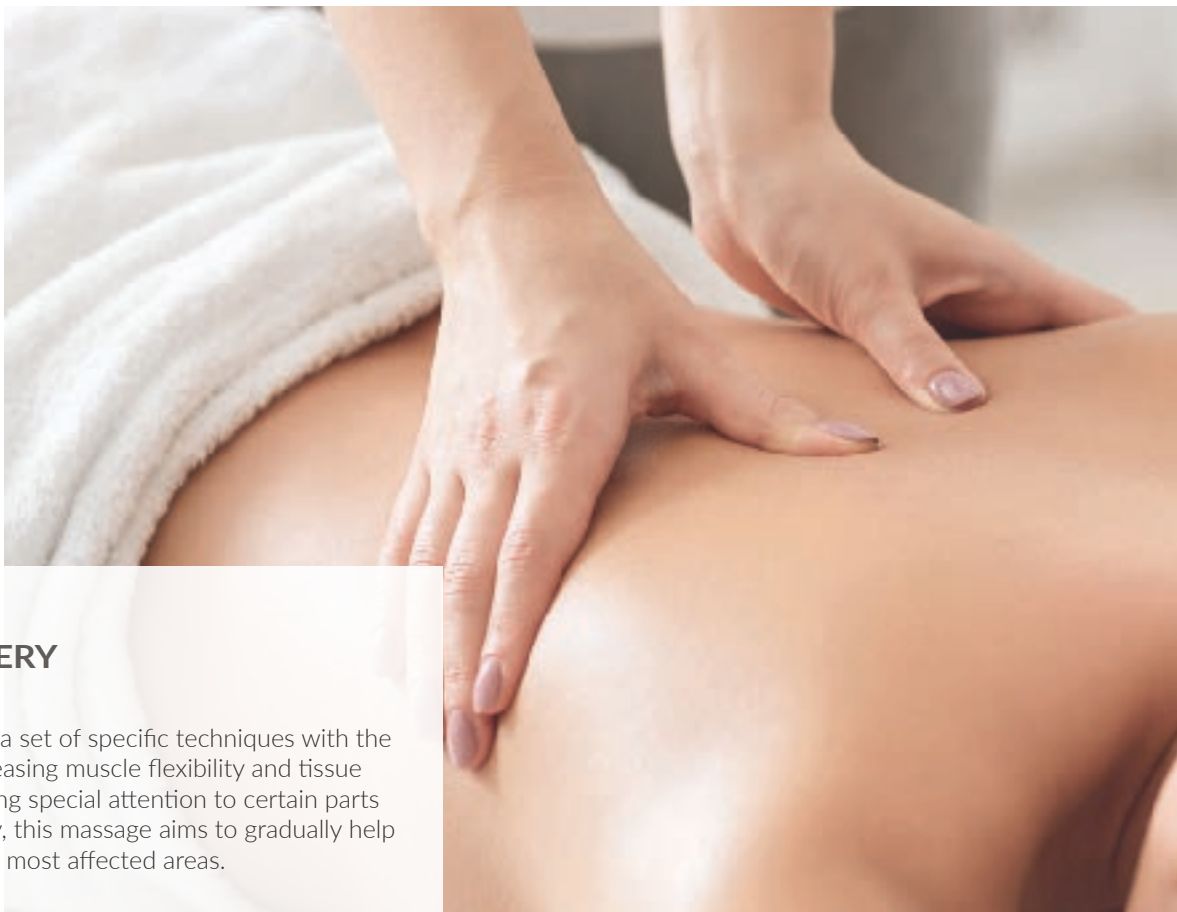

SPORTS MASSAGE

60 MIN

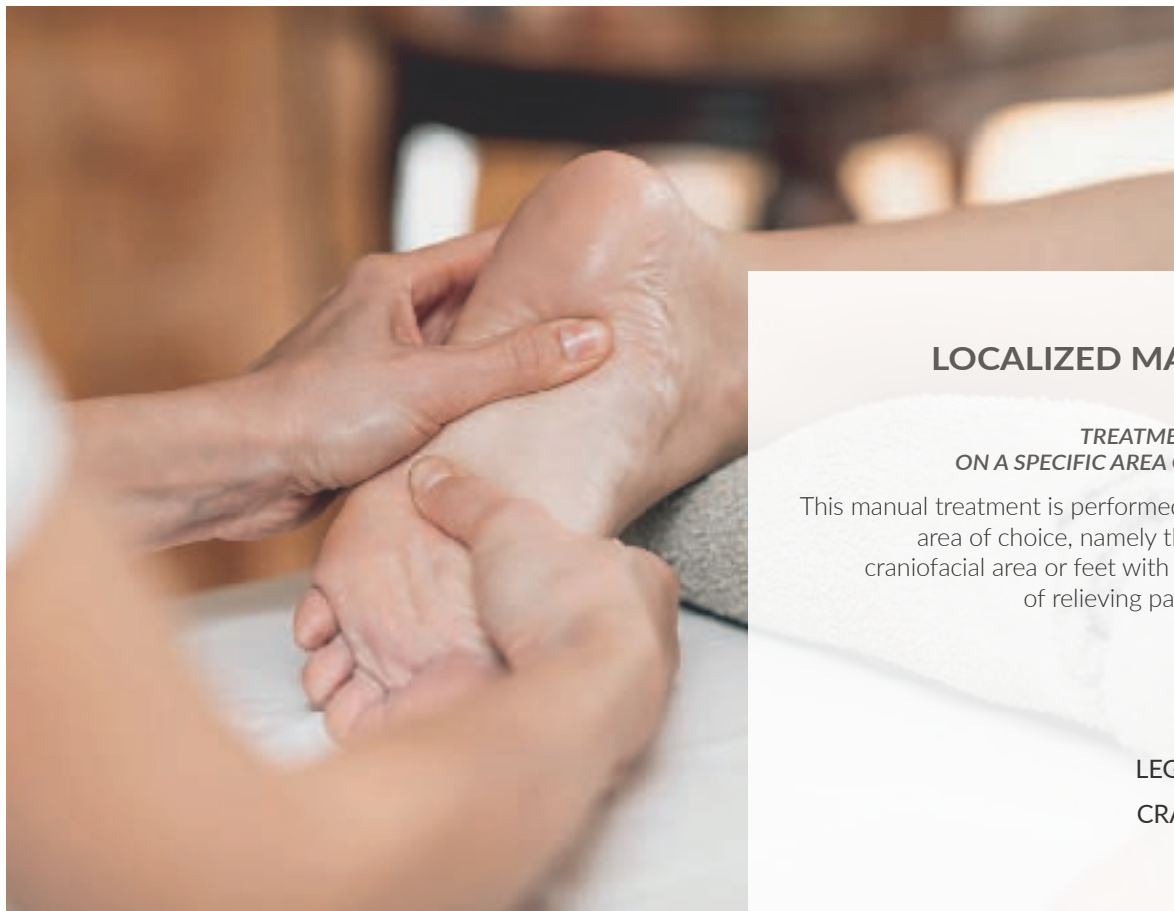

Mainly suitable for sportsmen and women, this massage is indicated to warm up and prepare the muscles before and after training, relieving all the tensions and helping to remove the lactic acid from the muscles, for a better recovery and efficient repair of the muscular tissues.

RECOVERY

60 MIN

Combining a set of specific techniques with the aim of increasing muscle flexibility and tissue toning, giving special attention to certain parts of the body, this massage aims to gradually help recover the most affected areas.

LOCALIZED MESSAGES

30 MIN

*TREATMENT FOCUSED
ON A SPECIFIC AREA OF THE BODY*

This manual treatment is performed on a critical area of choice, namely the back, legs, craniofacial area or feet with the main aim of relieving pain or tension.
